NAME OF TOUR: Mikumi Wildlife Experience
ITINERARY FOR: 2 Days with 1 night – Start from Morogoro town
DESTINATION: Udzungwa and Mikumi National Parks

ABOUT UDZUNGWA MOUNTAIN NATIONAL PARK

This is part of the Eastern arc mountain range and most of the activities involves climbing/trekking. There are different routes available for trekking but the tourist route is the Sanje route which is about 4 hours up and down. Udzungwa is one of thirty four World Biodiversity hotspots. Expect to see Primates. Udzungwa have 11 primates species whereby 2 of these are found no where in the world, these are Sanje Mangabey (*Cercocebus sanjei*) and Iringa Red Colobus (*Procolobus gordonorum*). Also you may have the opportunity to see habituated Sanje Mangabeys, different endemic plant species, birds, reptiles and Amphibians, Butterflies, waterfalls, etc.

ABOUT MIKUMI NATIONAL PARK

Activities in this closest National Park from Morogoro town involves wildlife viewing safaris, camping safaris, walking safaris and night safaris. In Mikumi National Park expect to see animals such as Lions, Buffalos, Giraffe, Wildebeest, Zebras, Impalas, Warthogs, elephants, hippos, more than 300 bird species and various plant species.

DAY 1: PICK UP, TRANSFER AND TREKKING IN UDZUNGWA

Early morning of this day you will be picked up at your residence in Morogoro town at around 05:30 hours and start your drive to Udzungwa National Park. This drive takes you via Mikumi National Park, Mikumi Town (where you will have a short stop for breakfast) and then through a 20km rough road to Udzungwa. Once you arrive at the park you will be registered and then start climbing preferably at Sanje route to be able to see the 4 stages waterfalls. After taking your lunch boxes at the top you will have an opportunity to have a swim under the waterfalls, it is a cold swim. After the swim you will start to ascend (the trekking takes about 4 hours up and down depending on your climbing pace).
