

Safari Name: Wildlife Experience in Ruaha
Safaris Itinerary: 05 Days and 4 Nights
Destinations: Ruaha National Park

About [Ruaha National Park](#)

The park history dates back to 1910 when it was gazetted Saba Game Reserve by the Germany then the name was changed by British to Rungwa Game reserve in 1946. In 1964 the southern portion of the Game was gazetted as Ruaha national park and in 1974 a small section of South Eastern part of the Great Ruaha River was incorporated into the park. The name "Ruaha" originates from the Hehe word "Ruvaha", which means "river". Ruaha National Park is part of Rungwa-Kizigo -Muhesi ecosystem which covers more than 45,000km². In 2008 Usangu game Reserve and other important wetlands in Usangu basin have been annexed into the park, making it the largest park in Tanzania and East Africa with an area of about 20,226km².

Ruaha is believed to have high concentration of elephants than any national park in East Africa. It is also a place where, magnificent mammals like Kudu (both Greater and Lesser), Sable and Roan antelopes can easily be spotted in Miombo woodland. The male Kudu have beautiful spiraled horns while male Sable antelope have impressive curved horns. The park is also a habitat for **endangered wild dogs**. Other animals in the park include **lions, leopards, cheetah**, giraffes, zebras, elands, impala, **bat eared foxes** and **Jackals**.
